Ron Paul Liberty Dollars may have been [raided by the Feds](#), but you can still get **Ron Paul Liberty Dollar Chocolates!**

Ron Paul Chocolate Liberty Dollars are a delicious stocking-stuffer this holiday season and a great way to get the word out.

When the feds come, you can eat the evidence!

An order has been placed for 15000. We will distribute these to raise awareness and money for the Ron Paul campaign. Further information will be provided in the blog and wiki and on our mailing list.

We are looking into distributing molds so that you can mint your own money worth its weight in sweet Liberty!
