

ALERT: Announcing first Conference Call with Bernard March 15th, 2004

ANNOUNCING the first of four Conference Calls on Wednesday, 03/17/2004, at 9:00 PM/ET. Simply call: 978.431.1111 and enter 285 for the PIN/ext. number. Please introduce yourself and where you are calling from when you enter. The Call Center can only accommodate 30 people on the Conference Call. So if you don't get in, try back in a half-hour or next week.

Got a question, suggestion, comment, or wildass marketing idea, please call. This is your opportunity to get the info about the Liberty Dollar because if I don't know, we are all in deep trouble. I look forward to hearing from you.

Topics will include the DOUBLING of the Liberty Dollar, RCO Business Plan, Liberty University, growth and development of the Liberty Dollar, and anything YOU want to talk about. So please call and invite anyone who you have introduced to the Liberty Dollar to call too.

Thanks again for your support to return America to value – one Liberty Dollar at a time.
