

ALERT: Earn \$500 Referral per RCO

March 1st, 2004

Do you think the US Dollar is going down? It already has! Do you think silver is going up? You bet! Want to be in the winning side and become a RCO? Well we know there are a lot of people “thinking” about becoming a Regional Currency Office (RCO). So during the month of March and up until the start of Liberty University on April 15th, we will pay a \$500 Referral to everybody who sponsors a new RCO. Just motivate a friend to be approved for a RCO before April 15th and pocket \$500 in FRN or ALD, your choice. And yes, you can self-sponsor and save the \$500 on your first year’s RCO fee of \$1000! And if you did that, I would strongly suggest you spend that \$500 you saved on Liberty University and find out how to make your new RCO profitable! Liberty University 103 runs from April 15 – 17 and costs \$500 that is all-inclusive with motel room and food.

Only thinking about becoming a RCO? Then Liberty University (LibU3) is for you as it is open to any Liberty Associate or RCO. So come to LibU3 and find out what it is all about. And get the tools and training to be ready for a terrific silver market as the Liberty Dollar takes off! There is no better time than right now before we “crossover” to the new \$20 Silver Base and the Liberty Dollar doubles in face value!

Lets see how many new Regional Currency Offices we can open before April 15th.
Thank you for your continued support to return America to value – one Liberty Dollar at a time.
