

Streamline your success with the Liberty Dollar

March 15th, 2006

Liberty Dollar University 9 is shaping up! Please join us and become inspired, energized and highly trained on how to effectively develop a dynamic Liberty Dollar region. You don't have to be a prospective RCO to attend - enthusiastic Associates are also welcome!

LDU has quickly become the proving ground for Associates who are considering the RCO Business Plan as much as the training ground for new RCOs.

When? LDU9 starts on Tuesday, April 18 at 6:00 with a meet/greet and continues all day Wednesday and Thursday and may continue into Friday.

Please call/email the Office to make your reservation, which is required, so we can prepare the necessary materials. Only \$200 for Associates. No walk-ins, please.

Don't delay! Rooms are being held at the special price of \$65.95 until April 5. Call the Days Inn at 703-354-4950 (ext 173 or 174) or 800-241-7382 to book your room. You must say you are with the "Liberty Dollar" to get the special rate. Please call the office at 888.421.6181 to pay for your seat at LDU-9.

Materials include: training syllabus with reference materials, sample ads, media package, sample articles, print-ready pictures, website development content, enrichment videos and audio and additional extras!

Accommodations and seminar location: Days Inn in Alexandria, Virginia. Convenient location at I-395 and exit 3-B, just minutes away from all the attractions of DC. Days Inn Alexandria offers a full range of amenities, including ample free parking.

Even if you can afford to have the room to yourself, please let Rachelle at the office know if you would be willing to share a room and thereby make it possible to reduce the accommodation cost for someone else. There are 12 rooms booked at this price until April 5 and then the price will go up and there may not be availability. Plan now as this is peak tourism season for the Arlington and Washington, DC area.

Cost for Training: \$200 fee for new attendees; \$100 additional to bring wife or partner (\$200 applicable toward Charter Fee). Free to RCOs who are required to attend or who have previously attended.
