

## *New \$20 Silver Liberty Circulates*

Chambersburg Public Opinion

August 2<sup>nd</sup>, 2007

The pure silver \$20 Chambersburg Silver Liberty has arrived. In addition to the traditional "Lady Liberty" featured on the obverse side, the reverse (as shown on our Homepage) showcases the beautiful Pennsylvania Coat-Of-Arms along with the word "CHAMBERSBURG." Within the lower portion of the coat-of-arms are inscribed the words "Virtue, Liberty, and Independence."

This large "\$20 Chambersburg Silver Liberty" (39 mm diameter) is designed to be used as barter currency at face value. It circulates on a 1:1 basis with US Dollars. For collectors, however, 160 have been hallmarked to signify "First Day Of Issue." The hallmark consists of the letters "PA" within an outline of the Commonwealth of Pennsylvania; only one hundred (100) of them are numbered (photos below). These treasures were personally hand stamped by renowned mintmaster and architect of the Liberty Dollar, Bernard von NotHaus.
